Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements

Year ended March 31, 2024

West Parry Sound Health Centre (the "Hospital") is incorporated without share capital under the laws of the Province of Ontario. Its principal activity is the provision of health care services to the West Parry Sound area. The Hospital is a registered charity and, as such, is exempt from income taxes provided certain requirements under the Income Tax Act are met.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards including the 4200 standards for government not-for-profit organizations.

(a) Revenue recognition:

The Hospital accounts for contributions, which include donations and government grants, under the deferral method of accounting.

Under the Health Insurance Act and Regulations thereto, the Hospital is funded primarily by the Province of Ontario in accordance with budget arrangements established by the Ministry of Health (the "Ministry") and the Ontario Health North ("OHN"). Operating grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in the subsequent period.

Unrestricted contributions are recognized as revenue when received or receivable if the amounts can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the period in which the related expenses are recognized.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis at rates corresponding to those of the related capital assets.

Revenue from patient and other services is recognized when the service is provided.

(b) Inventories:

Inventories are stated at the lower of average cost and net realizable value. Cost comprises all costs to purchase, convert and any other costs in bringing the inventories to their present location and condition.

(c) Donated assets:

Donated capital assets are recorded at fair value when received.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(d) Capital assets:

Purchased capital assets are recorded at cost. The original cost does not reflect replacement cost or market value upon liquidation. Assets acquired under capital leases are amortized over the estimated life of the assets or over the lease term, as appropriate. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Hospital's ability to provide services, its carrying amount is written down to its residual value.

Work in progress is not amortized until construction is complete and the facilities come into use.

Amortization is provided on the straight-line basis at the following range of annual rates:

	Rate
Buildings and parking lot	2.5%
Furnishings and equipment	5% - 10%

Long-lived assets, including capital assets subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of the asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. When quoted market prices are not available, the Hospital uses the expected future cash flows discounted at a rate commensurate with the risks associated with the recovery of the asset as an estimate of fair value.

Assets to be disposed of would be separately presented in the statement of financial position and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer amortized. The asset and liabilities of a disposed group classified as held for sale would be presented separately in the appropriate asset and liability sections of the statement of financial position.

(e) Related entities:

The notes to the financial statements include information for the following entities:

Lakeland Long-Term Care Services Corporation ("Lakeland") (note 12)
West Parry Sound Health Centre Foundation ("Foundation") (note 12)
Parry Sound Pilot Project (note 5)

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(e) Related entities (continued):

The investment in the joint venture of the profit-oriented entity, Parry Sound Pilot Project, is accounted for by the equity method. The other entities are not consolidated.

(f) Employee future benefits:

The Hospital sponsors a defined benefit health and dental plan for certain employees and retirees funded on a pay-as-you-go basis. The Hospital is also a member of a defined benefit pension plan. The Hospital has adopted the following policies:

The Hospital accrues its obligations under the defined benefit plans as the employees render the services necessary to earn the pension, compensated absences and other retirement benefits. The actuarial determination of the accrued benefit obligations for pensions and other retirement benefits uses the projected benefit method prorated on service (which incorporates management's best estimate of future salary levels, other cost escalation, retirement ages of employees and other actuarial factors). The most recent actuarial valuation of the benefit plans for funding purposes was as of March 31, 2024, and the next required valuation will be as of March 31, 2027.

Actuarial gains (losses) on plan assets arise from the difference between the actual return on plan assets for a period and the expected return on plan assets for that period.

Actuarial gains (losses) on the accrued benefit obligation arise from differences between actual and expected experience and from changes in the actuarial assumptions used to determine the accrued benefit obligation. The net accumulated actuarial gains (losses) are amortized over the average remaining service period of active employees. The average remaining service period of the active employees covered by the pension plan is 10 years. The average remaining service period of the active employees covered by the other retirement benefits plan is 10 years.

Past service costs arising from plan amendments are recognized immediately in the period the plan amendments occur.

(g) Healthcare of Ontario Pension Plan:

The Hospital is an employer member of the Healthcare of Ontario Pension Plan (the "Plan"), which is a multi-employer, defined benefit pension plan. The Hospital has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. The Hospital records as pension expense the current service cost, amortization of past service costs and interest costs related to the future employer contributions to the Plan for past employee service.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(h) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the periods specified. Significant items subject to such estimates and assumptions include the carrying amount of capital assets; valuation allowances for receivables and inventories; amounts due from (to) the MOH; accounts payable and accrued liabilities; and assets and obligations related to employee future benefits. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

(i) Funding adjustments:

The Hospital receives grants from the OHN and the Ministry for specific services. Pursuant to the related agreements, if the Hospital does not meet specified levels of activity, the Ministry or OHN may be entitled to seek recoveries. Should any amounts become recoverable, the recoveries would be charged to operations in the period in which the recovery is determined to be payable. Should programs and activities incur a deficit, the Hospital records any recoveries thereon when additional funding is received or receivable if the amounts can be reasonably estimated and collection is reasonably assured.

(j) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Given the difficulty of determining the fair market value, contributed services are not recognized in the financial statements.

(k) Financial instruments:

All financial instruments are initially recorded on the statement of financial position at fair value.

All investments, if any, held in equity instruments that trade in an active market are recorded at fair value. Management has elected to record investments at fair value as they are managed and evaluated on a fair value basis. Freestanding derivative instruments that are not equity instruments that are quoted in an active market are subsequently measured at fair value.

Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

1. Significant accounting policies (continued):

(k) Financial instruments (continued):

All financial assets are assessed for impairment on an annual basis. Where a decline in fair value is determined to be other than temporary, the amount of the loss is recognized in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses. On sale, the statement of remeasurement gains and losses associated with that instrument are reversed and recognized in the statement of operations.

Financial instruments are classified into fair value hierarchy Levels 1, 2 or 3 for the purposes of describing the basis of the inputs used to determine the fair market value of those amounts recorded a fair value, as described below:

Level 1	Fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities
Level 2	Fair value measurements are those derived from market-based inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly
Level 3	Fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data

2. Change in accounting policies:

On April 1, 2023, the Hospital adopted Canadian public sector accounting standard PS 3400 Revenue. The new accounting standard establishes a single framework to categorize revenue to enhance the consistency of revenue recognition and its measurement. As at March 31, 2024 the Hospital determined that the adoption of this new standard did not have an impact on the amounts presented in the financial statements.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

3. Accounts receivable:

	2024	2023
Trade accounts receivable	\$ 1,796,732	\$ 1,070,954
HST recoverable	725,316	745,083
Ministry of Health	–	1,194,331
West Parry Sound Health Centre Foundation (i)	204,146	220,460
Other	53,327	51,163
	<u>\$ 2,779,521</u>	<u>\$ 3,281,991</u>

(i) The receivable from the Foundation is for reimbursement of equipment purchased by the Hospital during the year.

4. Lakeland Long-Term Care Services Corporation:

The Hospital has advanced funds to the related non-profit corporation and provides operating services to the corporation on an on-going basis. The current advances are incurred in the normal course of operations.

	2024	2023
Current trade receivable	\$ 231,674	\$ 278,506
2022 Eldcap deficit	(384,669)	(87,698)
	<u>\$ (152,995)</u>	<u>\$ 190,808</u>

5. Parry Sound Pilot Project:

The Hospital exercises joint control, along with an unrelated profit-oriented enterprise, over a joint venture that was established to provide laboratory services. The Hospital's 50% share of the joint venture has not been proportionately consolidated in the Hospital's financial statements.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

6. Capital lease receivable:

	2024	2023
Capital lease receivable – due from Lakeland, 5.13% repayable in monthly principal and interest payments of \$68,518, amortized over 25 years	\$ 4,682,615	\$ 5,248,757
Less amounts due within one year included in current assets	(595,858)	(566,142)
	<u>\$ 4,086,757</u>	<u>\$ 4,682,615</u>

7. Capital assets:

2024	Cost	Accumulated amortization	Net book value
Land	\$ 1,799,442	\$ –	\$ 1,799,442
Buildings and parking lot	89,051,921	41,852,184	47,199,737
Furnishings and equipment	37,063,295	19,931,022	17,132,273
Work in progress	1,635,080	–	1,635,080
	<u>\$ 129,549,738</u>	<u>\$ 61,783,206</u>	<u>\$ 67,766,532</u>

2023	Cost	Accumulated amortization	Net book value
Land	\$ 1,799,442	\$ –	\$ 1,799,442
Buildings and parking lot	89,033,663	39,515,124	49,518,539
Furnishings and equipment	34,548,215	17,491,435	17,056,780
Work in progress	69,107	–	69,107
	<u>\$ 125,450,427</u>	<u>\$ 57,006,559</u>	<u>\$ 68,443,868</u>

8. Bank indebtedness:

The Hospital has a demand line of credit with TD Canada Trust authorized to a maximum of \$3,500,000, which bears interest at the bank's prime rate less 0.6%, calculated and payable monthly. The line of credit is secured by a \$17,000,000 collateral mortgage and accompanied with insurance. As of March 31, 2024, there was \$Nil drawn on this line of credit (2023 - \$Nil).

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

9. Accounts payable and accrued liabilities:

	2024	2023
Accounts payable and accrued liabilities:		
Ministry of Health	\$ 2,314,574	\$ 298,155
Trade accounts payables	1,312,882	1,385,840
Accrued liabilities	2,135,765	1,119,055
Payroll accruals:		
Accrued salaries, wages and benefits	3,827,126	3,446,070
Accrued vacation pay	2,745,038	2,776,331
Employee deductions payable	666,529	551,369
	\$ 13,001,914	\$ 9,576,820

10. Long-term debt:

	2024	2023
International Swaps and Derivatives Association Master Agreement between TD Canada Trust jointly with the Hospital and Lakeland – interest floating rate plus 0.35% stamping fee, due January 9, 2026, repayable in monthly instalments of variable principal and interest, amortized over 25 years, secured by land and buildings and a general security agreement	\$ 6,157,000	\$ 6,885,000
Less amounts due within one year	(770,000)	(728,000)
	\$ 5,387,000	\$ 6,157,000

The Hospital has entered into an interest rate derivative agreement to manage the volatility of interest rates. The Hospital has converted floating rate debt for fixed rate debt. The fair value of the interest rate swap is a liability of \$19,273 (2023 - \$137,905) and has been determined using Level 3 of the fair value hierarchy. The related derivative agreements are in place until the maturity of the debt.

Scheduled principal repayments in each of the next two years are as follows:

2025	\$ 770,000
2026	5,387,000
	\$ 6,157,000

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

11. Deferred capital grants and contributions:

In 2006, the Hospital completed the construction of the new hospital. The Ministry, the Foundation, the municipalities and the residents of West Parry Sound District and the Hospital have contributed to the funding of the hospital.

The Hospital continues to receive capital grants and contributions for building and equipment. The grants and contributions are deferred and amortized over the life of the asset.

Lakeland is a related non-profit corporation. The corporation entered into a capital lease with the Hospital for equipment and premises.

Details of continuity of these funds are as follows:

	2024	2023
Balance, beginning of year	\$ 55,120,819	\$ 56,621,192
Contributions received or recognized during the year	1,396,264	2,180,010
Less: amounts amortized to revenue	(3,754,990)	(3,680,383)
Balance, end of year	\$ 52,762,093	\$ 55,120,819

Included in the contributions received or recognized during the year is \$Nil (2023 - \$1,713,372) of unspent HIRF funding.

12. Related entities:

The Foundation is an independent corporation without share capital, which has its own Board of Directors. It provides donations to the hospital for capital and operating purposes. The Foundation's statements are not included in these financial statements.

Lakeland is an independent corporation without share capital, which has its own Board of Directors. Lakeland operates within the hospital and leases space and equipment from the hospital. They have transactions for shared expenses that occur in the normal course of operations that they reimburse the hospital per their agreement. The Lakeland statements are not included in these financial statements.

WEST PARRY SOUND HEALTH CENTRE

Notes to Financial Statements (continued)

Year ended March 31, 2024

13. Post-retirement benefit obligation:

The Hospital sponsors a post-retirement defined benefit plan for medical, life insurance and dental benefits for employees with various cost-sharing arrangements as determined by their collective agreements and conditions of employment. The most recent valuation of the employee future benefits was completed as at March 31, 2024. The next full valuation of the plan will be as of March 31, 2027.

The accrued benefit obligation is recorded in the financial statements as follows:

	2024	2023
Balance, beginning of year	\$ 2,926,000	\$ 2,887,000
Add: benefit costs	258,600	262,700
	3,184,600	3,149,700
Less: benefit contributions	(242,300)	(223,700)
Balance, end of year	\$ 2,942,300	\$ 2,926,000

Similar to most post-employment benefit plans (other than pension) in Canada, the Hospital's plan is not pre-funded, resulting in the plan deficit equal to the accrued benefit obligation.

The significant actuarial assumptions adopted in measuring the Hospital's accrued benefit obligation are as follows:

	2024	2023
Discount rate	3.95%	3.89%
Initial health care cost trend rate	5.50%	6.40%
Dental care cost trend rate	4.00%	4.00%
Health Care cost trend rate declining to	4.00%	5.00%

14. Pension plan:

Substantially all of the employees of the Hospital are members of the Healthcare of Ontario Pension Plan (the "Plan"), which is a multi-employer defined benefit plan. Employer contributions made to the Plan during the year by the Hospital amounted to \$3,445,227 (2023 - \$3,035,249).

Year ended March 31, 2024

15. Contingencies:

(a) Legal matters and litigation:

The nature of the Hospital's activities is such that there is usually litigation pending or in process at any given time. With respect to claims at March 31, 2024, management believes the Hospital has valid defenses and appropriate insurance coverage in place. In the event any claims are successful, management believes that such claims are not expected to have a material effect on the Hospital's financial position.

(b) Employment matters:

During the normal course of business, the Hospital is involved in certain employment related negotiations and has recorded accruals based on management's estimate of potential settlement amounts where these amounts are reasonably determinable. Where amounts are not reasonably determinable, costs, if any, relating to these matters would be recognized when known.

16. Bill 124:

On November 29, 2022, the Ontario Superior Court rendered a decision to declare the Protecting a Sustainable Public Sector for Future Generations Act, 2019, known as Bill 124, to be void and of no effect. This ruling has triggered reopener provisions that required renewed negotiations with certain labour groups on compensation for years that were previously capped by the legislation. Ongoing impacts of the reopener provisions are reflected in the Hospital's current wage rates and are included in the reported amount of salaries and wages.

The MOH has provided the Hospital with funding to offset a portion the cost of the retroactive wage adjustments, as well as ongoing impacts up to March 31, 2024.

Year ended March 31, 2024

17. Uniquely funded programs:

The Hospital administers a number of programs which are separately funded. The revenues and expenses related to these programs are recorded separately from the base funding operations of the Hospital and any excess or deficiency of revenue over expenses is settled with the funding agencies on an annual basis. These programs have set budgets that must be adhered to. If any of the programs result in a deficit the Hospital could be held responsible to fund them.

	2024	2023
Revenue:		
Dispatch services	\$ 2,067,638	\$ 1,983,403
Nurse Practitioner Led Clinics	3,076,468	3,180,339

18. ONE Health Information Technology Services:

ONE Health Information Technology Services (ONE HITS) is a shared service organization established for the purposes of providing technology, information systems and related capital implementation and support services to participating hospitals in Northeastern Ontario on a full cost recovery basis. The Hospital has a 3.4% proportionate share of voting rights and financing requirements. Included in the Hospital's reported balance of accounts payable at March 31, 2024 are amounts owing to ONE HITS of \$70,147 (2023 - \$19,304).

18. ONE Health Information Technology Services (continued):

A summary of the financial information of ONE HITS is as follows:

	2024	2023
Financial position:		
Total assets	\$ 46,592,434	\$ 46,561,825
Total liabilities	\$ 46,592,434	\$ 46,561,825
Net assets	-	-
	\$ 46,592,434	\$ 46,561,825
Results of operations:		
Total revenue	\$ 12,019,379	\$ 6,311,613
Total expenses	12,019,379	6,311,613
Excess of revenue over expenses	\$ -	\$ -
	2024	2023
Cash flows:		
Cash from operations	\$ 6,039,319	\$ 4,908,679
Cash from financing and investing activities	(3,506,942)	(1,753,472)
Increase (decrease) in cash	\$ 2,532,377	\$ 3,155,207

19. Financial risks and concentration of credit risks:

(a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Hospital is exposed to credit risk with respect to accounts receivable.

The Hospital assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts. The maximum exposure to credit risk of the Hospital at March 31, 2024 is the carrying value of these assets.

Management considers credit risk to be minimal as most of the accounts receivable balance is collected in a timely fashion.

There have been no significant changes to the credit risk exposure from 2023.

Year ended March 31, 2024

19. Financial risks and concentration of credit risks (continued):

(b) Liquidity risk:

Liquidity risk is the risk that the Hospital will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Hospital manages its liquidity risk by monitoring its operating requirements. The Hospital prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations.

Accounts payable and accrued liabilities are generally due within 60 days of receipt of an invoice.

There have been no significant changes to the liquidity risk exposure from 2023.
