

# Auxiliary members honoured for exceptional service and dedication

Six members of our Auxiliary were recognized for long and special service to health care during the organization's Annual General Meeting last week. Honorary Life Membership Certificates were presented to (front) Orla Thurston, Ida Clairmont, Gretl Feller, (back middle) Shirley Gilbert, and Irene Bosley. Jean Piitz was not able to attend the event. Celebrating here with the new Life Members is (back row) Hospital Auxiliary Association of Ontario President Elen MacMillan, new WPSHC Auxiliary President Carla Cusiter, and Past-president Olive Duggan.

*Congratulations and thank you for your enduring contribution to our delivery of patient and family centred care.*
